

# Normanden Lodge 4-424 Newsletter February 2022

Dear Normanden Members,

I am very happy to tell you that 2022 is off to a fairly normal start. We have had a social meeting, there is a pancake breakfast coming up, and we are planning for Viking baking. I hope you are as ready as I am to get back together more regularly again.

I know how hard it can be to get back into a normal routine again, so my big request of all of us is that we are open to helping out when we can. Our lodge is a very special place, and it takes many hands to keep it running. Keep checking the website and newsletters for upcoming events. I am confident that we have something to offer for (almost) everyone.

Hope to see you at one of our events soon!

Eivind Gjetmundsen

Margrete: Queen  
Of the North

## February Social Meeting **Sunday, February 13 at 1:30**

We know some powerful women leaders from the past: Cleopatra, Joan of Arc, Queen Victoria. But do you know about Margrete, known as the Queen of the North? When she was Queen of Denmark in the 15th Century, she united Denmark, Norway and Sweden into one Nordic kingdom, which lasted for more than 100 years. This Danish movie tells her story, brilliantly portrayed by the veteran Danish actor Trine Dyrholm. Margrete was a strong queen at a time when women were even less than second-class citizens. Her goal was to end years of bloodshed on Scandinavian soil, bringing peace and prosperity. The movie also involves the mysterious legend of what may or may not have happened to her son, the King-to-be Olaf.

As the movie may be intense, you are promised a surprise at the end which will send you home smiling.

Please bring a movie snack to share, if you desire. Some prefer to bring comfortable lawn chairs.

Please note the movie is in Danish with English subtitles. We are going to experiment with someone reading the words into a microphone so that everyone is aware of what is being said.
